The 1st Presidential Library collects, digitizes, and makes available documents, photographs, audio recordings, and other materials related to Václav Havel, his family, friends, and the era in which he lived and worked. The total number of events and documents processed is **88216**.

Access to the digital archive is free of charge after user registration, i.e., filling out a research form. Archival materials that are displayed in an illegible form can be studied directly at the 1st Presidential Library, where we will be happy to prepare them for you upon prior arrangement.
